## Tietsort 24' Single Gasoline

Tietsort 24' propulsion package combines Indmar's Ford Raptor 575 supercharged motor to Hamilton's 241 water jet. Custom upholstery, wrap and flooring throughout makes for a clean, sharp look. Full overhead viewing windows with a center gullwing in the hardtop gives great visibility forward. Custom stereo system, wash-down, rear rail corner seats, anchor locker and ski pole are just a few of its amenities.

Bentz Boats has set the standard for quality and innovation for over 50 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

## SPECIFICATIONS
