## US Forest Service 28' Twin Gasoline

US Forest Service Law Enforcement boat is powered by Indmar Ford Raptor 440 gasoline engines and coupled to Hamilton 241's. The patrol area requires a high performance boat capable of up to class V white-water, carry fire fighting crews, general personnel transport and all duties of law enforcement throughout the year within Hell's Canyon of the Snake River. Lockable gun locker, bench seating set-up for individual beds, spot lights, lights and siren package plus communication packages complete the build.

Bentz Boats has set the standard for quality and innovation for over 50 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.

## SPECIFICATIONS

**Owner:** US Forest Service  
Private, Recreational

**Designer:** Bryan Bentz  
**Builder:** Bentz Boats, LLC

**Construction Material:** Aluminum

**Length:** 28'-0"

**Bottom:** 7.5'

**Beam:** 9.5'

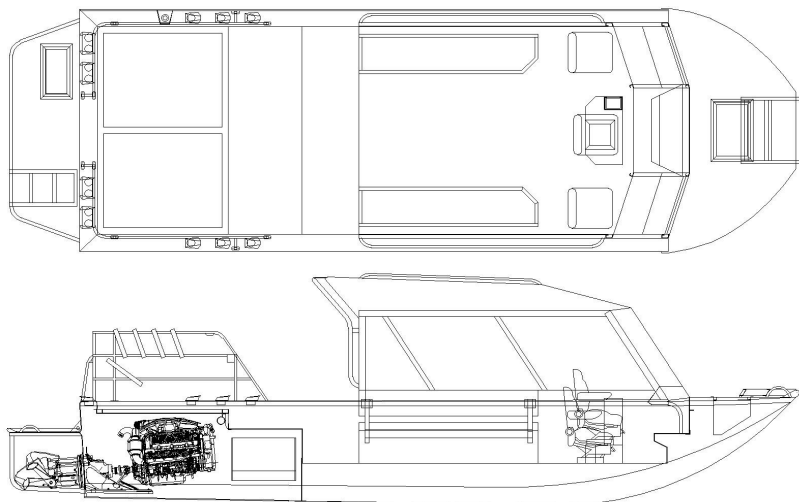

**Engines:** 2-Indmar Ford Raptor 440

**Jet Units:** 2-241 Hamilton Jet

**Maximum Speed:** ~ 55 mph

**Cruising Speed:** ~ 35 mph

**Fuel:** 200 Gallon Diesel
